Marie Antoinette & the Chinoiserie Style

Queen of France, Marie Antoinette, as Archetype of Luxury, was a remarkable creator and arbiter of style. She advanced an idiosyncratic aesthetic, vanguard in her time, that more than two centuries later continues to inspire. Members free. Library members \$35 for all four lectures. Non members \$45 for package of 4 talks.

Call 805-8562 or email campus@fourarts.org.

Since 1995, *Florida Gardening* readers have found the information they need to truly enjoy gardening in this unique state.

Each issue concentrates on Florida's plants, diverse growing regions, soil conditions, and garden solutions.

Whether you grow flowers, fruit, vegetables, native plants, or even Florida's most exotic tropics, *Florida Gardening* offers both the inspiration and information you need to succeed.

Gardening: It's different down here
It's not your imagination. Gardening in Florida really is different from gardening in other parts of the country. That's why Florida gardeners need a magazine all their own.
