

VPK COMMUNITY REGISTRATION SITE POSTED SCHEDULE ~ FEBRUARY 2012

(For directions to the registration sites listed below, please see the updated "Community Registration Site Directions")

To decrease wait times, please bring a copy of your child's proof of age and Florida residency to be left for child's permanent file.

Due to extreme budget cuts, wait times will be longer than usual. Parents are seen on a first-come, first-served basis. The line will be closed when we have reached the number of parents we can see during the scheduled hours which may be early each registration session depending on the number of parents already in line. Those parents who cannot be served will need to come to another community site for registration. There are an unlimited number of certificates. Please plan accordingly.

NEW MONTHLY SCHEDULES WILL BE AVAILABLE EACH MONTH
