

*Please Join Us...*

You are invited to an informational gathering

with Dr. Pam Phelps,  
author of *Beyond Centers & Circle Time*<sup>®</sup>

*40 Years*  
*Serving Those Who*  
*Serve Children.*  
*1969 - 2009*

1-800-334-2014 • [www.kaplanec.com](http://www.kaplanec.com)

Join us on any  
one of these days...

This presentation will offer participants an in depth look at the theme series materials that accompany the Beyond Centers and Circle Time® Curriculum. Authentic assessment techniques will be discussed providing early educators with information concerning children's development. This awareness of children's development will support the creation of intentional play experiences that will allow children to develop the skills and knowledge needed for later school success.

*40 Years*  
*Serving Those Who*  
*Serve Children.*  
*1969 - 2009*
