

## Actual vs. Advance Payment for the Summer 2012 and School Year 2012 - 2013 VPK Programs

As a VPK provider, it is your **choice** whether to receive an advance payment. It is no longer mandatory to make advance payments to a VPK provider. Once you make a decision as to Actual Payment or Advance Payment, this information will be used to determine your payment for Summer 2012 and School Year 2012 -2013 VPK programs. You **will not be able** to change the method of payment until the following School Year program 2013 - 2014.

Please complete this form entirely and submit it with the appropriate Statewide Registration Application, AWI-VPK-10, that you will be submitting to your assigned VPK Registrar for the Summer 2012 program if you are a new VPK provider and for School Year 2012 -2013 program for all VPK providers as soon as possible. An original signature must be on this form. This form **must** be submitted with the AWI-VPK-10 in order to complete the process of determining your school as provisionally eligible.
