“An early learning coalition or school district, as applicable, shall require a VPK provider who has been placed on probation to use a curriculum approved in accordance with s. 1002.67(2)(c), F.S. A VPK provider shall demonstrate that it is using a curriculum approved in accordance with s. 1002.67(2)(c), F.S., *including all program materials and professional development activities associated with the approved curriculum*, by submitting the following to the early learning coalition or school district, as applicable:

- (a) A receipt or invoice demonstrating that the VPK provider has purchased an approved curriculum and has scheduled instructor trainings developed by the curriculum publisher on use of the curriculum; or
- (b) A notarized attestation that the VPK provider has received the complete approved curriculum through a donation and has scheduled instructor trainings developed by the curriculum publisher on use of the curriculum.”

It is important to note that all approved curricula have been specially packaged for Florida VPK Provider use and may include supplemental materials and specially designed professional development. Communication with the vendor will ensure that the desired curricula is the designated Florida VPK curriculum to be purchased.
