

Actual vs. Advance Payment for the Summer 2011 and School Year 2011 - 2012 VPK Programs

As a VPK provider, it is your **choice** whether to receive an advance payment. It is no longer mandatory to make advance payments to a VPK provider. Once you make a decision as to Actual Payment or Advance Payment, this information will be used to determine your payment for Summer 2011 and School Year 2011 -2012 VPK programs. You **will not be able** to change the method of payment until the following School Year program 2012 - 2013.

Please complete this form entirely and submit it with the appropriate Statewide Registration Application, AWI-VPK-10, that you will be submitting to your assigned VPK Registrar for the Summer 2011 program if you are a new VPK provider and for School Year 11 -12 program for all VPK providers as soon as possible. An original signature must be on this form. This form **must** be submitted with the AWI-VPK-10 in order to complete the process of determining your school as provisionally eligible.

Please indicate your choice of payment method:

_____ I want an Advance Payment.

_____ I want an Actual Payment once I submit my attendance sheet for the month.

Indicate the program to which your payment choice applies:
