

HOLISTIC HEALING WELLNESS CENTER

Dr. Barbara Ann Wilmes is a health care advocate and offers these services. In her former roles as executive director of corporate EAP programs and substance abuse programs, and as the assistant administrator of a NYC hospital (where she oversaw the patient services and social services departments), she helped medical patients access entitlements and financial aid resources for more than 25 years.

- The services she provides include:
- Resolution of insurance disputes
- Fee negotiation services for “out-of-pocket” expenses
- Correction of medical billing errors
- Entitlement eligibility evaluations
- Financial resources identification
- Prescription price comparison
- Provision of CAM information
- Physician referrals

Since Healing Touch Buddies is located at the Center, Dr. Wilmes has recently focused on working with those challenged by breast cancer.
