"Delightful suite, great location and gracious hosts!" 12/29/09 My husband and I stayed in the Barefoot Bahama Breeze Cabana over Christmas. What a good choice for a special holiday! The resort location in a West Palm historic district is wonderful. We enjoyed walking around the neighborhood and the nearby park. The beach and the shops of Worth Ave were about a mile and a half east of the property. And the CityPlace shopping mall with many restaurants and shops, a grocery and a movie theater was near enough to walk. The suite itself was beautifully and thoughtfully decorated. Everything was very clean and in great condition. My husband really enjoyed the flat screen LCDTV and the grounds and pools are tropical, lush and private. Best of all were the owners. They were genuinely interested in their guests having an enjoyable stay. They even had a sumptuous brunch on Christmas morning where we got to meet other guests. This just may become a holiday tradition!

Thanks for the lovely bungalow 11/25/09 we spent our stay in West Palm Beach in. It was a delight! We didn't get a chance to see you before we left so just wanted to let you know how much we enjoyed our stay. Thanks so much, Sindy & Trevor Iles-Weymouth, England

Home Away From Home! 11/3/09 "We booked a stay at Casa Grandview as a result of the TripAdvisor Reviews....and there were NO disappointments. Staff was very friendly & helpful...yet not intrusive at all. Our cottage was just perfect. A very comfy feel as soon as you walk in..the bed was so comfortable...nice flat screen TV and couch and the kitchen was wonderful. A few of the nights we actually ordered in and watched the World Series and Football games. The grounds are so pretty, the pools were wonderful, private and clean. One day we decided to head to the beach and they provided beach chairs, towels and umbrella.... We would highly recommend this Resort without a doubt...and will be back as soon as we can."

They provided fixings for breakfast which we made in the full kitchen in our private bungalow. My husband prefers this to eating with large groups. We ate out on the private patio and had a wonderful time relaxing in and around the home. We'll definitely go back and recommend this to anyone who likes the laid back experience of a B&B but would prefer a little more privacy than the standard B&B offers. The Morleys

Romantic! 11/2/09 "My fiancée took me on a surprise trip to West Palm while the whole time I thought we were going to Boston! Casa Grandview blew me away! They upgraded us to the Key West tropical cottage and the location was great and close to everything! We took a trip to the beach and that was when we got engaged! This was the best trip I have ever been on and Casa Grandview made that happen! I highly recommend Casa

Grandview to everyone, you will have the time of your life and will never forget it!"

10/09 **"We had a very pleasant stay at Casa Grandview's Barefoot Ocean Breeze Cabana Suite.** The owners are really nice and the staff is a joy! We found the place online, loved the pictures. When we got here we discovered that the pictures were just a taste of how BEAUTIFUL the place is. Beats a hotel any day! CityPlace is a must visit. Be sure to go to the Cheesecake Factory for take-out cheesecake to enjoy while watching a movie on the large TV w/ 50,000,000 channels! You cannot leave without enjoying the Jacuzzi at night. The beach is not far away. All in all, excellent stay!" Ryan and Chelsea

Great! 9/13/09 "I stayed in the Tropical Cabana. I was very comfortable with that,"at home feeling". I was in town on business and it was nice to have breakfast items in the kitchen, I didn't have to waste my morning getting breakfast on the go. Highly recommend Casa Grandview!"

Extraordinaire! 9/3/09 "Bed & breakfast composé de 13 cottages à la décoration magnifique et tout confort avec 2 piscines dont une avec jacuzzi dans un quartier résidentiel et historique de West Palm Beach. ce B&B est à 5mn en voiture du quartier des boutiques et restaurants dénommé Cityplace et 10mn des plages de Palm Beach. les propriétaires et managers Cheryl et Kirk vous réserveront un accueil très chaleureux. J'ai résidé 2 jours fin août 2009 avec mes enfants de 10 et 13 ans dans la magnifique room # 3 : "Coastal Seaside Cabana Suite". A essayer sans hésiter!

Didn't Want to Leave! 9/30/09 "This was my second trip to Casa Grandview, and even more wonderful than the first. It is hands down the most wonderful, secluded, pampering place: perfectly appointed and lush."

One of the Best! 9/1/09 "We fell in love with Casa Grandview immediately. The rooms are warm and cozy and impeccably designed. It really feels like home. This slice of heaven is definitely one of a kind!"

The Most Luxurious B&B in Florida! 8/28/09 "Absolutely loved this West Palm B&B! Beautiful accommodations and grounds, stocked refrigerators with full kitchen, huge flat-screen TVs, two pools, and decks with BBQ grills for entertaining/relaxing. The hosts were friendly and accommodating. Highly recommend and will definitely stay here again next time!"

Fantastic Place! 8/24/09 "Casa Grandview was a wonderful experience! We stayed in the South Beach Deco room and absolutely loved it. This is the perfect place for a romantic private getaway, but also is just minutes from the beach and City Place! We could not have asked for a better place to stay and hope to return soon!!"

Great Birthday Getaway! 8/21/09 "Casa Grandview was our first "Bed and Breakfast" experience. We try to get away for my husband's birthday every year and checked trip advisor for the top rated place to stay and found Casa Grandview. The reviews are true to their word!!! When we stepped in the front door, we felt like we were in a little Spanish cottage, completely cut off from the world, all to ourselves! It was exactly what we were looking for! Beautiful decor, all the privacy you could want, Wi-Fi, and the perfect size pool to lounge in!

10 Stars! 8/13/09 "Casa Grandview is truly a top-notch resort! I've stayed at world renowned resorts in the Caribbean and in the Pacific and this one far exceeded my expectations. Anything that I could think of when it comes to a relaxing weekend getaway to a tropical locale was there, shady nooks to read a book, hammocks for a nap, chaises by the pool, pool floats, whirlpool, tables, chairs, towels, beach chairs, bikes, umbrellas, etc. It would be a great place for either honeymooners or for a family reunion!"

The Perfect Place to Stay! 8/13/09 "We had the best time at Casa Grandview! The Granthams are a wonderful family that have made Casa Grandview an amazing place to stay and their guests feel special. Inside our cottage the attention to detail and comfort – luxurious! The privacy around our cottage was like being on our own tropical island. The hot tub, Jacuzzi, waterfall massage was a treat. You will not find a more welcoming, lovely place to stay than Casa Grandview. Our family will be back." :) The Mellingers

Enchanting! 7/30/09 "Having been a South Florida resident for the past 18 years, I recently relocated out of the area but come often to visit. Recently I found Casa Grandview and I will now only stay at this enchanting property. I have discriminate taste and not only are her prices of great value, but the property is exquisite. The rooms are smartly appointed, the linens are 600+ thread count; and the amenities make you feel like you're "at home." Do yourself a favor and join the family, you'll never stay anywhere else again once you do!" When we got there, we were surprised with an upgrade. We stayed in the Bahama. I'm in the decorating business and it was outstanding. The furnishings were very upscale and comfortable. We would definitely return. Believe the reviews, they are true. Thanks again Cheryl and Kirk for a wonderful getaway!" Judy and Fred

We looked at the many favorable reviews and decided that anyplace that could get this many rave reviews must be nice. Well, let me tell you, it was an exceptional experience.

FEELS LIKE HOME! 7/14/09 "Your own little cottage in historic district of downtown. I love the "old Florida" feel of the place. Fully equipped kitchen stocked with Starbucks coffee, tea, sugar, cream, milk, oj, soda, butter, eggs. My husband loved it as much as I did. We can't wait to go back."

Amazing! 5/24/09 "I wanted to send you this email to say thanks for an AMAZING experience. This past Memorial Day, my girl friend and I stayed in the Seagrass Cottage. Back here at school, I haven't stopped sharing the experience with my co-workers and friends. I'm about to send a conference email to the whole staff AND post a Bulletin Board message to the whole school board raving of my experience."

Quiet Beauty! 5/24/09 "Beautiful house (Casa Bella) very peaceful and tranquil. Just the right prescription after a long day of diving or sightseeing! The breakfast package was outstanding; we loved cooking our own breakfast. The beds were about the most comfortable we have stayed in. The front porch offered the most peace of the whole house, especially while the kids (big and small) were busy in the pool. Thank you so much for a wonderful weekend!"

Sunfest Oasis! 5/16/09 "We celebrated our wedding anniversary by staying at the Casa and Sunfest. A perfect oasis for Sunfest, within walking distance. The rooms are all decorated with a different theme. My sister and her husband also stayed at the Casa in the beach house, so adorable. We are all staying at the Casa next year for Sunfest for sure! Cheryl our hostess made us feel as if we were visiting with old friends rather than staying at a

'hotel'."

Awesome Accommodations! 5/11/09 "Above and beyond are the only words that come to mind about this property. We stayed in the Bahama Breeze and my in-laws stayed in the Key West. Nothing was spared in these beautiful cottages. The bed was so comfortable and the decor was so much more than we ever expected. Our host was gracious and gave us the tour and told us everything we needed to know about the area. We will be coming back to this little slice of heaven when visiting our daughter."

Palm Beach Treasure 5/4/09 "When we first thought to stay in Palm Beach, the Breakers came to mind. At the last minute we changed our stay to Casa Grandview. WOW! What a gem. We stayed in the Sundance Mission cottage and I must admit- we were amazed! The Hosts, the accommodations, the surprises...all first class. Outstanding dining recommendations! (loved Paris Bakery, and Rocco Tacos) and hosts who are genuine. This is the real deal!! We WILL be back. Thank you!"

Home Away from Home! 3/15/09 "I just completed my second stay at Casa Grandview, and if the opportunity presents itself, I'll likely return again. Having now stayed at two of their properties I can say that the quality was consistent, both from place to place, and year to year. The accommodations are very well furnished, beds and linens are plush and extremely comfy. You won't find more comfortable places to call your own in West Palm Beach."

Best Kept Secret in South Florida! 3/11/09 "When my wife and I discovered this place, we were excited, but tried to remain optimistic, but curious. After all, how could one little place be this good? Well, guess what? It is-in every way! You have to experience it to believe it. It is a little piece of Heaven tucked away in its own little world."

We would most definitely visit again!"
