

2010 Casa Grandview Reviews

An Amazing Discovery! 12/31/10 Manchester, England "We have just spent a week at Casa Grandview and cannot fault the place at all. The warm greeting and thoughtful amenities set us off well, the accommodation (supposedly budget 1 bedroom cottage) was sublime and the hosts were like they were greeting old family friends. Convenient to City Place and the Airport and easy to get around the whole WPB area. We're looking at booking at least 3 or 4 of the cottages for next year for a big family trip.

Amazing Place! 12/27/10 "Cheryl and Kirk run an amazing B&B. My wife and I stayed for a quick getaway and it was better than we could have imagined. The suite at the top of the stairs was exactly as pictured. The owners were extra gracious. We even arrived early and they were very accommodating. I would definitely stay again."

"Oh what a lovely place!" 12/6/10 Casa Grandview is a luxuriously casual little oasis. I just returned from a quick trip with my teenage son to spend some quality family time. We had a charming 2 bedroom cottage with all the amenities (including a washer and dryer). We were so close to City place and the beach that we could walk or ride bikes. The pool and hot tub were perfect. The staff could not have been better and we had some absolutely wonderful breakfasts including these amazing Cuban pastries that I am still dreaming about. I can't wait to go back.

Wonderful Stay! "My friend & I planned a spur of the moment trip to West Palm Beach last month. When we visited the discount travel sites, we had very few reasonably priced options - airports near the airport, or incredibly pricey beachside hotels. We found this place by accident on the West Palm Beach tourism/chamber of commerce site & immediately fell in love with it.

The property is nestled in a lush tropical garden setting - in the middle of the historic Grandview Heights District. It's convenient central location makes for an easy drive to the airport, beaches, Wellington and major highways. The main building is a gorgeous historic site, almost hidden in the tropical gardens that add an element of peacefulness & privacy to the property. While there were about 15 properties/units nearby, we very rarely saw or heard other people - something you won't find in a regular hotel.

Our cottage was impeccably decorated (love the antiques!) and came with lots of thoughtful special touches & extras, such as free snacks/beverages and toiletries, comfy bathrobes, a gorgeous kitchen w/outdoor grilling area, a washer/dryer unit, wireless and a full bookcase (and dvds, too!) I recommend this property for couples who want to get away from it all, families who like to travel in style on a budget or people who enjoy staying in a roomy upscale environment vs. a small hotel room. At the end of the trip, my friend and I both agreed to come back for a 2 week stay next year, and hopefully bring friends & family with us."

No Place Like It in the World! Dec 6, 2010 "As a world traveler, I am fortunate to experience many places and stay and some of the best places. Casa Grandview Resort is by far one of those world class places!! Whether you are traveling to West Palm Beach for pleasure or business, you will be hard pressed to find a better place to stay and feel at home. And BTW, this luxury resort is diver friendly!!! Stop by the web site to see how!! "

"Casa Grandview hidden treasure in West Palm Beach" 12/06/10 Arriving early to West Palm Beach to setup our company display at The Florida Dive Show I found myself with extra time on my hands because the Bed and Breakfast was so conveniently located to the airport and convention center might think such a location to be noisy, but just the opposite was our discovery. This historic property has been artfully decorated with every pleasure of being right at home.

We love this place!! 11/28/10 Atlanta Family "It was our second time staying here & it was great!!" I have two children, 3 & 5, and my boys would not go to the Breakers Hotel pool & beach, where my friend has a membership, they just wanted to stay in the heated saltwater pool at Casa Grandview, on property!! We loved the hospitality, the service, the accommodations, and I just can't say enough good things about the place. I have traveled to West Palm Beach for over 15 years- it's my favorite place to go. I won't stay at a hotel again! This is the best."

Casa Grandview is a super fantastic place to stay. 10/9/10 "I love the decor for all the rooms and Cheryl is terrific. I recommend the hotel to all my friends traveling to WPB! Keep up the good work!"

"Loved the lush grounds and the quaint but luxurious cottages at Casa Grandview." 10/9/10

I've had the pleasure of staying at the Casa Grandview. Cheryl and Kirk are the kind of hosts that make you feel like family! 10/9/10

"Location, Location, Location and comments posted on Trip Advisor are what guided me into making a decision on where to stay and vacation. Also big on cleanliness! Casa Grandview has it all!" 10/9/10

It reminds me of the Florida from my youth! 10/9/10 "Beautifully appointed "period" rooms. The location is very convenient to downtown while still having the privacy and character of old Florida. You will find your hosts to be gracious and helpful. We looked forward each day to returning to our "home away from home". We highly recommend the Casa Grandview. The location is very close to the National Croquet Center for those that play."

As a group we were in Sundance North & South with an adjoining door. The smaller unit actually has an awesome leather couch with flat screen TV and a large book shelf which we named the man cave as all the guys found themselves drawn to this dark comfort many times throughout the stay. The Main unit has a kitchen, living area, and dining area where all gathered nightly to eat our dinners. We discovered a massive grill area near the upper pool and cook dinner several times much to our enjoyment followed by evening swims in the heated pool. This is no ordinary Bed & Breakfast close to the City Center and a true hidden treasure for anyone looking to have a unique relaxing stay in West Palm Beach.

We loved our visit to Casa Grandview this past June for my nephews wedding. 10/7/10 "We each had our own individual house with the pool areas to meet up with everyone. Each unit was unique so it made it fun to go around and see where all our relatives were staying. We all had our privacy yet we could see family at the pool areas if we wanted to. The units were furnished with breakfast supplies and bottled water. Having our own kitchens made it perfect for quick meals. We also liked the grill area. We actually cooked out lunch for 30 people the afternoon we arrived. The bedrooms were upscale with very nice linens. We would definitely go back in the future."

"We really enjoyed our stay at Casa Grandview and couldn't have been happier with the accommodations or hospitality!" 10/9/10

"We loved Casa Grandview! it was a wonderful week in WPB. The bikes are a wonderful touch!" 10/8/10

We thought your place was perfect! 10/07/10 "Casa Grandview was situated perfectly. We enjoy self-catering and we appreciated the groceries you left to welcome us. The atmosphere was so friendly. The location was perfect for us, near the convention centre, and a pleasant walk to grocery shopping and the nearby gallery. The use of the bicycles was a great help for getting to the beach. We were in the Native Sea Grass Cottage."

When I stayed at your B&B I LOVED my Bed/Bedding! 10/7/10 "I appreciated the SOFT towels! I also loved being able to select my groceries before coming! If I can I will come back in a heartbeat. I am a mother of two little ones with one on the way. I came to vacation with my sister and loved every second. I slept a lot and read and did some shopping. I never get to do that and what made it so great was my room. I can't tell you enough how much I loved my Bed! I hope to see you in the future!"

"Wunderschönes Ferienhaus in toller Umgebung" 8/17/10 Wir haben zwei Wochen lang im Sundance Bungalow des Casa Grandview-Anwesens gewohnt. Alle Zimmer sind sehr liebevoll gestaltet und auch die Küche funktional und gut ausgestattet. Man fühlte sich vom ersten Moment gleich wie zu Hause. Auch technisch ist der Bungalow auf allerneuestem Stand: Playstation, DVD-Player, 42"-Flatscreen, WiFi/WLAN.

Da wir mit unserem knapp 1-jährigen Kind unterwegs waren, haben die Besitzer Cheryl und Kirk uns allen möglichen Komfort für das Baby bereit gestellt: Baby-Reisebett, Hochstuhl und sogar einen Windeleimer (nur wickeln mussten wir noch selber ;-)).

Auf dem Anwesen gibt es zwei Pools, die die Bewohner nutzen können. Während unseres Aufenthalts waren wenig andere Gäste in Casa Grandview, sodass wir den einen (Haupt-)Pool meistens für uns alleine nutzen konnten. Hier stehen einige sehr geschmackvolle Sitzgelegenheiten (Tisch mit 6-8 Stühlen) sowie einige Liegestühle bereit, inklusive entsprechenden Sonnenschirmen. An diesem Pool befindet sich auch eine sehr professionelle Outdoor-Küche, die man hervorragend für Barbecue etc. nutzen kann.

Für Ausflüge an den Strand kann man sich Strandstühle und einen Sonnenschirm leihen. Auch hier haben die Besitzer sehr schöne und praktische Dinge ausgewählt.

Montags bis freitags kümmert sich eine Hausdame um das Leeren der Mülleimer und wechselt zwischendurch auch mal die Bettwäsche. Optional kann man wohl den Reinigungsservice nutzen (gegen Gebühr). Wir haben diesen Service nicht in Anspruch genommen.

It was a Perfect Choice! 8/7/10 "We were lucky enough to find this place online. We have a show at the convention center and came two days early. It was absolutely perfect. I am just sitting showing my husband how perfect it was. We showed it off to everyone we could. It is too special to keep a secret. The accommodations were amazing. The decorating was incredible. I definitely hope to come back on a total leisure trip, but what a

great alternative to a hotel for a business trip. It truly would be walking distance to most everything you need. A very pleasant week."

"Just What We Always Wanted and More" Sep 18, 2010 Casa Grandview is a grouping of old little homes that have been tenderly and masterfully decorated and updated, but leaving the charm and whimsy of the early 1900's. Our cottage had a LR, BR, bath, Kitchen and dining room, plus a W/D and our own private patio right by the pool. The decorating is fantastic, the beds very comfortable with the best mattresses and linens. (Sleeping well is everything to us) Cheryl (owner) starts you off with cereal, milk, coffee, fruit, eggs, orange juice, bread, etc.... plus little things like shampoo, soap, condiments, razors etc and when I needed scotch tape, there it was! We had a flat screen TV which was a favorite of my husbands. But best of all was the off season price and special that she was running. We could not have been happier. How nice to have a place we can move around in instead of being stuck in a motel room or even a B&B - one room. And to top it all off, she has beach chairs and umbrellas and bikes that you can use. Cheryl and Kirk are very accommodating too. It's a place you won't want to miss!

"Great, relaxing hotel with the most accommodating hosts" Sep 12, 2010 Cheryl and Kirk Grantham proved to be the most accommodating and attentive hosts we have ever encountered in our many stays in the West Palm Beach/Delray Beach areas. Cheryl covered suggestions for dining and entertainment and gave us a complete tour of the facilities, and Kirk went out of his way to make sure our request for a special request was handled professionally.

We stayed for a week in the Key West Cottage, and it had absolutely everything you could ask for in an extended stay away from home. It was beautifully decorated with a Key West/Caribbean charm with superior furnishings. We were surprised by the fully-stocked refrigerator upon check in. We especially enjoyed the surround sound entertainment system that was installed in our cottage. The two shaded pools were also maintained in excellent condition. We enjoyed two evenings using the gas grill and seating area in our private outdoor picnic area.

We would recommend this hotel for anyone who would like to chill for a real getaway in the West Palm Beach area. P.S. For the most exciting and informative entertainment while in the area, take a trip to McCarthys Wildlife Sanctuary. It is the #1 listing of Things To Do on Tripadvisor, and it is an up-close experience with wild animals that you will never forget. Make sure you bring your camera!

"Our second visit was even better than our last!" 8/6/10 "This year my hubby and I stayed at the Urban City Chic Cabana and we loved it! It has only been five days since our stay and I already miss it and am ready to return! The Granthams are great hosts and they make the place an even better place to stay! The area where Casa Grandview is located is very charming and very central to area attractions! Cheryl recommended the Cabana restaurant on Clematis and it was so tasty! We love, love this place and can't wait to the next time we stay. I would recommend if anyone can stay here they should"

A Little Piece of Paradise - Tucked Away" 1/21/10 My husband and I stayed at the Casa Grandview and accommodations were simply stunning! The South Beach Art Deco bungalow was divine! The bedroom (and luxurious sheets) were beyond wonderful; great to wake up in morning and be able to prepare our own breakfast. The proprietors keep the kitchen(s) fully stocked... from food and drinks to dishes/utensils and pots. Two beautiful pools... which are also tucked away and private. They also offer free bike rentals... perfect for an early morning ride to Palm Beach. We would definitely stay at Casa Grandview again!

Romantic! 4/18/10 "Our daughter and her husband spent their wedding at Casa Grandview and raved about the adorable cottages and amenities. They gave us a gift certificate for Casa Grandview as a thank you and we were overwhelmed by the ambience, as well as the grandeur and charm of old Europe and the warmth and leisure of the Caribbean. The owners are awesome and go out of their way to guarantee a quiet getaway! We're planning our second visit next month!"

I wanted to let you know we had a wonderful getaway. Thank you so much for allowing us a late check-out. It gave us a very relaxing day & allowed us to spend time writing in our anniversary journal—a tradition we've kept up each year. Thank you also for the art show tickets. We enjoyed stopping in on the way to dinner. Kona Grill was a good dinner option too!

A Superb Alternative to a Hotel or Large Resort, especially for those who appreciate privacy and home comforts! 5/21/10 The owners have truly thought of everything for a perfect, relaxing stay at Casa Grandview. We stayed in the Bahama Breeze Bungalow with our 2 and a half year old and as well as being tastefully decorated and furnished in keeping with the style and period of the property it also had everything that we needed to make our stay relaxing, easy and comfortable (washer and dryer, all kitchen appliances, grill, Direct TV, DVD player etc) The concept is a delightful alternative to a regular hotel or large resort and was perfect for a family looking for privacy and convenience. In a word we found Casa Grandview to be 'perfect' and we can't wait to stay there again!

"We miss it!" 3/5/10 Norway "We found the address in a travel guide and then looked it up in Trip Advisor. We stayed for 5 nights. It truly was a great place to stay. After almost 20 hours of travel, Cheryl greeted us warmly and we were able to quickly enjoy our bungalow. She made sure we had food for the next morning in the fridge, so we did not have to go out again. The bungalow was great: 2 great bedrooms (awesome beds), living room and kitchen with all you need. There was a parking space right next to the entrance. Located centrally in West Palm Beach where we were able to enjoy the city, the coast and our bungalow. We left for Miami Beach and missed it from day 1."

Thanks for your great hospitality. We had a very pleasant stay. Your super reception was most appreciated . . . Best Regards, Winn & Trudi

Thanks for everything. This was absolutely wonderful. Home away from Home. Just without the stresses of life. We will definitely come back. Keep up the good work here! The Peplings

I can't begin to tell you how much Tia, Mark and I enjoyed our stay at your marvelous place. The catered brunch on Christmas Day was wonderful . . . your hospitality and great food—what a combination! Give my best to the family. Bob Stillers (Bahama)

"Beautiful, well appointed, and lush, with a touch of Old Florida" 3/5/10 New Jersey. "Casa Grandview now has a special place in our hearts. We were impressed by it's unique charm, and the attention to every detail shown by the owners, Cheryl and Kirk. They were very helpful, caring and informative. The rest of the staff was also very caring. We felt the comfort and beauty of our surroundings, but were aware that this took lots of work, talent and love to create. Bravo!"

"Fabulous Gem in a Great Neighborhood" 3/1/10 We stayed at the South Beach Deco Cottage and loved every minute of our experience. There was a very comfortable king bed with luxurious sheets. Nothing was left out - there were complimentary robes to wear, breakfast items in the kitchen, thick and plush towels, toiletry items in the medicine cabinet and every possible top-of-the-line item you could possibly need. The appointments were very eclectic and beautiful. It was a true romantic and private getaway and still close to everything. We definitely want to come back.

Best vacation resort, well appointed, luxurious attention to every detail" 2/27/10 Lake Worth. Casa Grandview deserves every word in its name; it's truly a luxurious resort. Cheryl and Kirk are gracious, hospitable and professional innkeepers who have given great care and attention to every detail for every guest. This reasonably priced upscale inn has everything you would want or need with a little extra for good measure. It's by far the best place I've ever stayed. I loved everything about it.

"Casa Grandview - a lush, tropical enclave in West Palm Beach" 2/10 My friend & I planned a spur of the moment trip to West Palm Beach last month. When we visited the discount travel sites, we had very few reasonably priced options -near the airport, or incredibly pricey beachside hotels. We found this place by accident on the WPB CVB website & immediately fell in love with it. The property is nestled in a lush tropical garden setting - in the middle of the historic Grandview Heights district. It is convenient central location makes for an easy drive to the airport, beaches, Wellington and major highways.

The main building is a gorgeous historic site, almost hidden in the tropical gardens that add an element of peacefulness & privacy to the property. While there were about 15 properties/units nearby, we very rarely saw or heard other people - something you won't find in a regular hotel. Our cottage was impeccably decorated (love the antiques!) and came with lots of thoughtful special touches & extras, comfy bathrobes, a gorgeous kitchen w/outdoor grilling area, a washer/dryer, wireless and a full bookcase (dvds, too!)

The pool/jacuzzi was absolutely wonderful - and is every bit as beautiful as pictured on their website. The price couldn't be beat, either! I recommend this property for couples who want to get away from it all, families who like to travel in style on a budget or people who enjoy staying in a roomy upscale environment vs. a small hotel room. At the end of the trip, my friend and I both agreed to come back for a 2 week stay next year, and hopefully bring friends & family with us."

We loved our stay here! 2/20/10 Thank you for making it so comfortable. Seasgrass Cottage - Shelley & Jim -Blue Heron Fine Art

"A welcome respite from business activities" 2/19/10 Casa Grandview was the perfect place for my husband and me while we were on business in West Palm. After being on our feet all day, it was wonderful to return to our cozy cottage and put our feet up and relax. What a terrific alternative to staying in a hotel. We could make breakfast in the morning and have dinner delivered to our door at night. Cheryl, the proprietor was so helpful to us, showing us around the area so we could get acclimated quickly. I highly recommend Casa Grandview and hope to return next year. S. Brown-Boston, MA

Just What We Wanted! 2/3/10 "We stayed over Xmas and NY for 10 nights with our family and friends. CGV was perfect for our needs. The owners went out of their way to be helpful even to the extent of leading us to places in their car to ensure we did not get lost and inviting us, and of course other guests, to their house to parties over the festive period. Whenever we asked for extras such as an additional crib for our bungalow so our grandson could sleep with us Cheryl dealt with our requests at once and never charged for any extra. PS. We had a sensational meal at Cafe Boulud. Very expensive but worth every cent!" England

Thank you for providing me with a beautiful "home away from home". Your kindness and generosity transformed my visit to West Palm Beach from the mundane to the extraordinary . . . from impersonal to personal. You really made a difference. With love and appreciation, Deborah

The Seasgrass Cottage was perfect. Loved your decorating. If you ever want to change out the white drapes in the living room or bedroom—let me know. I'd buy them off of you! Thanks again for everything, Lena

Perfect Paradise for the Family with Children! 4/19/10 " We stayed at Casa for a week; perfect place for a family with young children-our 4 years old twins had a great time in both pools. The facility is impeccably clean and well set up; the staff was very accommodating in all our needs. The 2 bedroom suite was very functional and tastefully furnished. The location is perfect; quiet, old historic neighborhood with a great park for children and lovely walks."
