What Guests Had to Say:

Wonderful Properties! "Casa Grandview is a true home away from home. I stayed there for 4 months while on assignment in West Palm Beach. The facilities have wonderful "home like" touches - not sterile like the typical corporate apartments. Cheryl & her staff provide a personal touch. I highly recommend Casa Grandview to the corporate businessman/woman who is looking for an extended stay place in the West Palm Beach area."

Fantastic Boutique B&B! "Beautiful villa-type boutique B&B. Cheryl, the owner, is wonderful & staff is great!"

Incredible! "Total charm...clean, immaculate, furnishings are gorgeous. Every detail attended to—can't wait to return!"

Beautiful Casa! The villa's & suites were lovely outside and in. Attention to every detail was made. One of the best places I have stayed at!"

Paradise! "Recently returned from a week at Casa Grandview with two of my girlfriends...the property is amazing, each of the individual villas has a different flair, but the all share one thing in common... Your every need & comfort has been thought of & in place for you to enjoy. As president of a Tour Company and have traveled & stayed many places over the years...this definitely ranks at the top of my most memorable stays!"
