

## Casa Grandview 2011 Reviews

**What a Beautiful Experience for Our Anniversary Getaway!** 7/19/11 "We never knew that paradise was so close to home. We had such a nice time. I loved everything about Casa Grandview. I would be missing out on an important feature of the charm if I did not mention how wonderful Cheryl was during our visit. We immediately felt as though we had a new friend. Our only regret was not meeting her husband, but that just means we will have to book another visit. We felt we were miles away from home and truly relaxed for the first time in ages. The lush tropical landscaping, the amazing furniture and decorating of each and every room, and the feeling of not wanting to leave surrounded us the whole weekend. The food was so amazing. We loved that it was not your typical menu and that you could order what you wanted. We joked about the fresh herbs being selected right outside the dining area. I loved how everything was made fresh to order. Everything about the experience was just like something you would see from one of the B&B magazines. We have traveled all over and I find that there is little to compare to Casa Grandview. If B&B is not your thing.....take a trip to this one and you will have a total different take after your visit. They will make a believer out of you and you will love every minute of it. Don't wait to book some time at this little piece of paradise. Clean, fresh, warm, friendly, private, elegant, and unique. Just a few of the adjectives that describe this "luxuray Inn" Bill and Beverly

**Wedding Anniversary Haven** 7/8/11 "This was our 5th wedding anniversary and only had one night and two days to getaway due to our 4 year old and 3 year old kids. I was planning to book a hotel at the Ritz Carlton and the Breakers, but then came across the Casa Granview B&B on-line. It was as if heaven sent me a email message to go there. I answered and was glad we did. When we arrived it had just finished raining. My husband and I was greeted by Cheryl with a warm smile and welcome. She greeted us with a welcome package full of the area shops, entertainment, restaurants, spas, etc. She gave us a tour of the beautifully, well constructed, romantic, quaint, hidaway for couples. I loved it.

The house was inviting and the room was cozy and romantic. I loved Cheryl decora throughout the house. The food was fresh and delicious. Moreover, because of the weather we were not able to take advantage of riding the bikes- complimentary of the Casa Grandview prior to checkout. Cheryl and Kirk was unselfish and understanding and offered us the bike rides for the Friday even after checkout. We were able to enjoy our wedding anniversary and feel renewed, refreshed, and revitalized. Now I feel James and I can make it 30 and 40 years of marriage. Thank you so much Cheryl and Kirk for everything. Thank you for making us feel like a house guest and part of your family. May God Bless You. Sheila and James Bertrand

**Hidden Gem in West Palm Beach!** 7/4/11 "We were looking for a nice, quiet weekend away from the hustle & bustle of "real life" for the 4th of July...we found that & so much more with Casa Grandview and Cheryl & Kirk Grantham. We were treated like family & our every need was anticipated & provided for in advance. The Sundance Cottage was beautiful, clean & wonderfully charming all at once. Breakfasts were fresh & unbelieably tasty & the pool was a little slice of outdoor heaven. We will absolutely be back--more than once!"

**Charming and Convenient - Loved It!** 6/24/11 "This place is an amazing gem! It is a group of cottages and apartments turned into charming and unique lodging. There are two small and lovely pools that are in intimate and lovely tropical glades, one with a hottub. The hosts are charming and hospitable. The location is in a historic district of cottages, and very convenient. Use the bicycles for a pleasant trek over to Palm Beach or just lovely downtown West Palm. Great place! "

**Escaping Reality!** 6/23/11 "Casa Grandview was outstanding. Once we arrived it was an oasis, the grounds made us feel like we were on a tropical island. Cheryl, the owner, showed us the entire property once we arrived, our cottage was the Bahama Breeze, it is a 2 bedroom cottage, again making you feel as if you were on an island. They had provided us with snacks upon arrival, a folder of nearby restaurants with mapped out directions, milk, coffee, cereal and OJ for our morning breakfast. They have 2 pools both very private with full amenities. We never had to think about packing beach towels, coolers or beach bags these were all provided including umbrellas/chairs for our beach outings. When traveling with my parents and my 1 year old, I always have to consider safety, staying at Casa Grandview, I felt very safe and never felt like I needed to watch over my shoulder. This was definitely an escape from reality, I would highly recommend it!!! If we needed anything all we had to do was ask and it was done!!! Hopefully next time I can stay at the B&B part!!"

**Loved this Place!** "6/22/11 "A little tropical paradise in a charming historic neighborhood; very convenient to City Place, and the Norton Art Museum. One of the best lodging experiences ever for those who like beautiful, convenient and intimate settings. Many nearby dining, shopping, and entertainment options"

**"WOW"!** 6/9/11 " I have had the opportunity to stay in some great places in my years of travelling Stateside and abroad...BUT THIS HAS TO BE THE BEST! I found this inn on the web, and you never really can be sure what kind of place you end up in! But the minute we drove into this secluded piece of tropical heaven....I knew it was going to be perfect! The lush tropical plantings that are perfectly manicured but not in a fussy way....the pools...the decorating....perfect for the eye...but perfectly comfortable....Martha Stewart can't compete! The Granthams are perfect hosts and are warm and welcoming. This exceeded my expectations on every front....even the perfect wine glasses in the suites! When we go back to the area....we wouldn't stay anywhere else!!" Gail

**PERFECT ELOPMENT!** 6/9/11 "I'm not sure which was the better of two EXCELLENT decisions- to elope, or to elope to Casa Grandview! We are inexperienced travelers, have incredibly tight work schedules, and had only a couple of weeks to make all the arrangements. After narrowing down our destination to south Florida (we're having a cold snowy spring in Wisconsin and we wanted OUT!), we decided to search for the highest rated places, as well as something quiet and maybe a bit different. This place popped right up on Expedia and seemed too good to be true, but it's ALL TRUE!

Not only did the proprietors, Cheryl and Kirk, take care of us as promised in the website, they went the extra miles for us regarding local help with wedding hair, photography, even the officiate! We stayed in Sundance North and it was perfect in all ways. I lived for many years in Santa Barbara and this bungalow brought back memories; and we are renovating a 1920 California Craftsman at present so it was even MORE fun to spend a few days where everything was done to the last detail in similar architecture.

Scrumptious breakfasts on the main house patio lined with homegrown culinary herbs (hot from oven croissant and lobster omelet our last day there), gorgeous pools with hot Jacuzzi too, effortless gracious atmosphere inside and out, just peace and quiet and romance and rest. The landscaping makes each house seem a world unto itself. My new brother-in-law visited us there one evening; he's a professional landscaper in Palm Beach Gardens and he was just floored by the quality and design of the grounds. "Come as a guest, leave as a friend" is the TRUTH! Hard to put into words how exceptional it was!

**Boy, oh Boy...Want a great breakfast?** 6/26/11

"Visit 'Casa Grand View' In West Palm Beach.....The best Inn/B&B I've ever stayed at ....So says Sebi, head honcho And main man of Maggi Lyle who had a grand time there....A Fabulous, hidden, small compound of various, pastel painted cottages and An elegant Maine House where all the guests sign in.. .....Beautiful Cheryl and her Sweet Obliging Husband Kirk Grantham can't do enough for you.....Where dogs are treated just as royally as the guests....Bravo Granthams!" Sebi and Maggi Lyle

**Without a Doubt, The Best!** 6/1/11 We stayed in Sundance South for Memorial Day weekend and found the Inn on the web....which is not always the most reliable source of great lodgings. BUT!!!!....HOW WE WERE SURPRISED TO HAVE EVERY EXPECTATION SURPASSED BY A MILE!! Every inch of the Inn and surrounding hospitality suites and guest houses are decorated to perfection yet comfortable and luxurious from the wonderful sheets and towels to the gels and shampoos conveniently mounted in the shower. And everything you could want from beach chairs and umbrellas to bikes and a great BBQ area if you feel like cooking and dining poolside. By the way ..;did I mention there are 2 great salt water pools surrounded by lush tropical plants that are perfectly groomed? Breakfast couldnt be better! And it is just steps from City Place with all the shops, restaurants and entertainment you could want. The owners are charming and hospitable and couldnt be better hosts to their guests. We had a great time enjoying their tropical heaven....and felt like we were amongst friends. If you are anywhere near West Palm....this is by far the best place to stay...and we wouldnt consider going anywhere else!

**Fantastic Luxury Resort** 5/30/11 Casa Grandview is the perfect resort for a getaway. The accommodations are elegant and luxurious. The mattress was so comfortable and the linens make you feel like you're sleeping on a cloud. There wasn't a single thing that we needed that Cheryl couldn't provide. She and Kirk are the most gracious hosts we've encountered. It felt so good to relax and be pampered. It's a tropical paradise. We just didn't want to go home.

---

**Elegance, luxury and exquisite decor** 5/4/11 "My husband and I stayed at Casa Grandview for 3 wonderful nights. If you are going to West Palm Beach you must stay here. We stayed in the penthouse suite that was just beautiful. To say Cheryl's has a flair for decorating is an understatement. The attention to detail from the finely kept grounds to the peaceful relaxing swimming pools continuing into the guest rooms/cottages is constantly magnificent. Cheryl and Kirk were the most wonderful hosts. Breakfast on the deck every morning was delicious, especially Cheryl's lobster and cheese omelet. Located in a peaceful residential neighborhood plus just a short walk to high end shopping and fine dining, this hidden gem should be on your list of destinations." Norm & Lesley Ontario, Canada

**The Best Place** 5/4/11 Casa Grandview is the best place we have ever stayed. We came to Sun Fest and stayed in Bahama Cottage. It is so beautiful – the beds, kitchen and patio so nice; the pools are so awesome---- my kids and husband enjoyed. Thanks Cheryl, Kirk and Heather and hope to return again soon.

---

**Charming Hideaway!** 4/28/11 "Our cottage was wonderful, tastefully furnished, peaceful & quiet, and had everything we needed including breakfast items and refreshments compliments of our hosts. We had bikes with us and were able to ride along the intracoastal, over to Palm Beach and to City Place from our convenient location."

---

**Perfect in every way** 4/28/11 Every detail was taken care of in this most perfect stay at Casa Grandview. The owners had thought of everything, including provisioning in kitchen! The decor was very well done, the home was comfortable and inviting. We will return!

---

**Fantastic!** 4/23/11 We stayed at the Palm Beach Boom Mezzanine Suite (Main House). It was simply wonderful! We had two separate rooms one to include for our child. Cheryl & Kirk are excellent hosts. We had a wonderful stay to include: clean & comfortable rooms, hearty & delicious homemade breakfast(s), beautiful surroundings inside & out of property, and two pools to sun & swim in. Casa Grandview is located conveniently to many West Palm Beach attractions. We will be back!

**"Casa Grandview has it all - including amazing owners!"** Apr 3, 2011 What a wonderful experience! Casa Grandview has it all! My husband, Dan and I were to attend a conference in Orlando and had vacationed in Florida previously. This time we wanted something different than a hotel. Through Internet research we stumbled upon this enchanting Inn and became very curious. My husband is not a B & B kind of guy, but decided to humor me and give it a try.

Upon arrival at Casa Grandview, we were welcomed by the owner, Cheryl, who not only showed us around their amazing property, but provided us with information as to the surrounding areas, great places to dine, shop, and beach locations. During our stay we stayed in both Sundance North and the Grandview Penthouse Suite. Both were beautiful and well-appointed. We did prefer the penthouse suite in the main house as it has a king size bed and the ensuite bath was large and bright. We found each of our locations to be very private and beautiful. Most often after walking around the very safe neighbourhood or strolling down to City Place (beautiful shops and restaurants), we spent evenings on a very private and beautifully appointed covered porch. We found ourselves to be very well fed in the mornings by the most gracious owners, Cheryl and Kirk. Everything was homemade and oh so fresh and good. We had a few dining locations around the Inn with which to choose; however, we found ourselves on the deck attached to the main Inn soaking in the sun every morning. We felt very spoiled at Casa Grandview and very much at home. Everything was provided, from coffee whenever you wanted it, fresh fruit and snacks, bottles of water, bikes, umbrellas and chairs for the beach, and even beach bags. The Casa Grandview Inn is spectacular. Every detail is attended to, including high end soaps, shampoos, and towels. We both highly recommend Casa Grandview and its fabulous owners. Dan and Tina, Nova Scotia, Canada

**Cheryl & Kirk:** Tropical Haven 4/15/11 "It was a bit of a shock to come back to a temp. of 6 degrees after the lovely warm weather we'd got used to. This morning it *is* raining, as was forecast, but I said to Rod, 'let's take our coffee and paper and sit outside on the lawn chairs' ... He smiled and said, 'it would be nice'. (The silly thing is, we *could* have if we'd stayed ...) Anyway, just wanted to thank you for everything. We had a lovely, relaxing time, and have told the family that they must come visit too. Hopefully we can do that next year. And if you are ever in our neighborhood, you know you would be more than welcome to come and stay with us. We'd love to have you. All the best," Gill and Rod

**Hi Cheryl,** 4/14/11 "We left so early on Saturday morning I didn't get a chance to say goodbye and thank you for a wonderful week. Your place is absolutely stunning -- like we had stumbled into a little bit of paradise. It really was the highlight of our trip. I also very much appreciate all the little details that make your guests feel like a million bucks -- everything from the silky sheets to the stocked fridge. Thanks again, Cheryl. I will certainly recommend Casa Grandview to my friends (I already have) and hope to visit again. All the best," Diana

**Tropical Paradise!** 04//21/11 " After hearing nothing but the best about Casa Grandview, we were still surprised and delighted by the quality of our entire experience there. The tucked-away, almost secret quality of the inn immediately projects a sense of well-being - and of being away from the hustle-bustle of today's world. It's beautiful and luxurious in a low-key, unassuming way, creating a sense of returning to a gentler time. The landscaping is gorgeous; the varied architecture of the main inn and surrounding cottages is charming; and the welcome is warm. From great beach chairs and good-quality bicycles (gratis, by the way) to little details, such as lint rollers, Scotch tape, toothbrushes, etc., in each

room, no detail is overlooked. Al fresco breakfasts, "cooked to order", are wonderful. This little place is indeed a tropical paradise, and we wished we could've stayed much longer.

**Gem of a B&B!** 4/16/11 "Casa Grandview is a gem of a B&B in Palm Beach Florida. We just stayed a few days after being at a conference in a large resort in the area, and what a wonderful contrast! We went from a run of the mill spacious, yet forgettable, king room, to a jewel box of a suite... literally 25% of the size, but cocooned in luxurious linens, and beautiful furnishings. Breakfasts were delicious and service was friendly and attentive. We spent a very short time, but made great memories. I would recommend this special place to anyone who enjoys beautiful spaces and quiet accommodations. If ever I go back to Palm Beach, there is no question where I will stay!"

---

**The Best in the Area by Far!** 3/6/11 "We've been visiting the area for over twenty years and have stayed in many upscale inns and hotels. Casa Grandview is the in a class by itself for atmosphere, amenities and graciousness. The owners and their staff could not have been more accommodating and lovely. My only problem is that they will become so popular we won't be able to get in on our next stay! My suggestion...book early!"

---

**"Absolutely Fantastic!"** 3/3/11 Incredible place with old world charm. I travelled to West Palm Beach for business and was looking for a place located closely to the convention center but didn't want a large hotel. Casa Grandview turned out perfect. It's 10 minutes lovely walk distance from the center and yet I felt I was in some resort, isolated from the rest of the world. Very tasteful decorations, extremely comfortable bed, very luxurious surrounding and yet, one has a feeling of visiting relatives, nothing is over the top and it's just simply perfect. I stayed in the room Jacuzzi Suite on the top floor and had absolute silence and an ideal amenity in the bathroom with an oversized shower cabin and a jacuzzi tub - all superbly clean.

**"Thanks again, we had an awesome time.** 4/15/11 You are creating an incredible spot there. Will keep in touch." Norm and Lesley

**You Know That You are Special!** 3/28/11

From the moment that you arrive, you know that you are special. The service is impeccable, the people are so warm and inviting. Cheryl and Kirk can fulfill all your special needs making you feel like you are the most important guest that they have, and they do it so graciously. The Casa Grandview is one of the most beautiful places that I have ever stayed and also one of the most relaxing vacations that I have ever experienced. Every breakfast was exquisite in taste and presentation with the lobster omelet being our favorite. Cheryl and Kirk are an amazing couple and make an even better team, each one complimenting the other. The location was wonderful as well as the complimentary bikes, what a great way to see Palm Beach. We will definitely recommend the Casa Grandview to our family and friends, we plan on going back and staying for more than a few days, one of the most relaxing and elegant vacation stays ever....

**Grand Time!** 3/26/11 "We wanted to thank you so very much for a "grand" time at your Resort, we loved every moment of our relaxing visit! We have been to many places over the last 30 years and Casa Grandview is the nicest Guesthouses we have ever been to. I hope you get the picture I took of you Robert and Lucy, after our scrumptious breakfast. We have looked at much Real Estate and when our home sells, we may be neighbors and call on Kurt for legal help. Meeting your children was great also, we enjoyed your entire...extended Casa Grandview family!! Until we meet again, Warmly, Tom and Robert

**Young Couple Getaway** 3/23/11 "My girlfriend and I are both 25 years old and had an amazing time with Mr. & Mrs. Grantham. They were amazingly warm and gracious inviting us into their home and spending a relaxing 4 day vacation in West Palm Beach. The few staff they had there were also unbelievably friendly and helpful. This is a great find if you would like to spend a few days and nights in a gorgeous home, with great breakfasts, fun activities and relaxation all around and usually great weather. I highly recommend this B&B and extend our gratitude for helping us have such a wonderful time. Thanks Again!" Tommy & Skye

**Outstanding!** 2/14/11 "In the process of scouting professional opportunities, I combined a business foray with a bit of vacation relaxation. As luck would have it, I chose an unknown B&B that all but cemented my desire to move to the area of West Palm Beach, FL.

The proprietors of the Casa Grandview Luxury Inn & B&B offer an oasis. Their Inn along with the cottages create a revival of Old world charm infused with modern day but luxurious convenience, casual elegance and personal care hard-to-find in an up-scale hotel of this caliber.

The food was delicious, bountiful and individually offered. Whether served on "my porch" or in any one of several intimate and romantic locales or the home's dining room, one had the choice of privacy or the opportunity to meet and engage with a others. Delectable food and good conversation with unknown guests are an unusual combo.

Great attention to detail, from linens for sound sleeping or doilies with crystal flutes and plates for Greek yogurt and fresh fruit salads or delectable French toast & everything imaginable omelets are offered to the B&B guests. Excellent coffee, tea or hot chocolate are available 'on demand' along with LINDT chocolates, protein bars and fruit.

Bicycles offered an easy and laid back exploration of the many area attractions especially to the nearby bike path, Inter-coastal and public beach. However, the heated secluded pool(s), waterfall and Jacuzzi were a definite draw coupled with diverse magazines or books from an excellent personal Library.

The Grantham family has set a standard of excellence, humor and graciousness that's unrivalled. They are reviving an historic neighborhood, giving the town and area a gorgeous infusion of beauty, tastefulness and style.

I can't wait to return to their remarkable home, Southern Hospitality and warmth, and am jealous of the fabulous times ahead of those who do!" With fond memories, Ms. Dale T. Wilson, M.S., CLD

Our visit to WPB will help us make it through the winter ahead back home! 2/14/11 "Doug and I made it home safely to Michigan. Yes, there is still snow, however, our nice week at WPB will see us through the winter that's left. We enjoyed staying at Casa Grandview and all the extras you provide to make it especially nice for your guests. God bless you and your family." Vickie E.

**Helped the Stress Go Away even on Business!** 2/7/11 "We just got back from Casa Grandview and cannot wait to go back! I was on a business trip for two nights and brought my husband along. As we arrived, Kirk welcomed us on the porch to the beautiful main house. We stayed in the Library Suite which was quaint but beautifully appointed. We toured the pool area at night which is magically lit up. Breakfast was lovingly made and served to us by Cheryl and Kirk. There were so many little touches that made us feel right at home. Parking was very convenient and the pool and hot tub were a great place to hang out and relax in the late afternoon. Surrounded by palm trees and tucked away in the corner, my husband enjoyed a nap on the cozy hammock. Thank you again to Cheryl and Kirk! We will definitely be back soon!"

**Great Stay at Casa Grandview!** 1/28/11 "Casa Grandview is very comfortable, relaxing, welcoming, tasteful, convenient, quite, clean, and fun. We had a great stay and recommend it highly."

---

**For couples looking for a romantic getaway, this is it!** 1/6/11 "My boyfriend and I spent a little over a week there and there is nothing but good things that either one of us could find to say about our time there. I have never stayed at a hotel or a resort and wanted to stay in all day until I visited Casa Grandview. The living spaces are immaculate and so much more than what you see on the website. We did get out and there is so much to do and see in a short walking distance, you barely need a car to get around. Cheryl is wonderful and the entire staff is very hospitable. I must say that we did not want to leave and we look forward to coming back!"

---

**Beautiful Place to Stay** 2/16/11 "The room was so pretty and clean. The food was good, the owners were so nice. We can't wait to go back again. The grounds are so peaceful and tropical"

---

**Brill Holiday!** 3/22/11 "I stayed at the Casa Grandview for three nights after a meeting at the Breakers Hotel. I was very impressed with the grounds the moment I arrived. Cheryl showed me around and made me feel welcome. The house and the room were all exceptional and beautiful. Nothing was too much for the hosts and the all-day access to good coffee and snacks was a nice touch. I enjoyed the pool which often I had all to myself, and the alfresco shower was a treat. I really felt I was on holiday and could relax and sit back without a care in the world. Breakfasts were always laid back and the

food was wonderful. I appreciated all the little extras including a quick private tour of Palm Beach and getting dropped off at the airport by Kirk. City Place which was an easy 15 minute walk away had excellent restaurants; I tried the Opa, Blue Martini and the Seafood place (all were good). I have no hesitation in recommending this Bed and Breakfast to my friends. I would love to come back and spend more time here; three days went by too fast."

**A Hidden Gem in West Palm Beach** 3/4/11

"I just spent a great six nights at the Casa Grandview Old World Guesthouse. From the moment I arrived and throughout my stay Cheryl and Kirk were accommodating and thoughtful. Every minute was carefully and lovingly taken care of, from fresh yogurt and water, to cereal and bananas, and everything in between. I truly felt this to be my "home away from home." It is very close to CityPlace and public transportation, but tucked away from city environs. The grounds and two pools are lovely, relaxing and extremely clean. The Grantham family thought of everything to make the traveler very happy -- and this traveler left there with nothing but high praise and a desire to return to this piece of paradise in Florida. Thank you Cheryl, Kirk and Tyler for a job well done!"

---

**Remarkable in Every Way!** 3/21/11 "From the luxurious details in each room to the scrumptious breakfasts, Casa Grandview exceeded our expectations. The hospitality is gracious, warm, and inviting. It's become our "must do" vacation each year!"

---

**Tropical Paradise West Palm Beach!** 6/4/11 Look no further, period!!! After a long Winter on Long Island NY, we found Casa Grandview and will certainly go back. Our Penthouse Suite was up a winding staircase, private, quiet, perfect!! Our hosts Cheryl and her husband couldn't have been more helpful, kind, the nicest hosts anybody could hope for having never been to the Palm Beach area. Cheryl's recommendations for restaurants in the area were superb and also supplied us with detailed driving directions. Breakfasts' are over the top wonderful. One morning we had Banana's Foster which was fabulous eating in the outdoor private garden, our every whim attended to promptly, and very friendly. We loved everything about this Historic Inn and would recommend it to anyone wanting a relaxing time in the Palm Beaches, make a reservation now!! Tom Speeches, Shelter Island N.Y

**The Perfect Home For A Week!** 3/3/11 "We stayed at Casa Grandview back in September 2010 and we were so impressed with the whole complex. It was a great location with plenty of food places and shops a short walk away. Although spending the day times alone at the cottage. I couldnt have felt more safe - knowing Cheryl and Kirk were around, and being secluded when I enjoyed the stunning grounds and excellent pools. We originally booked one of the smaller cottages however on arrival Cheryl offered us an upgrade to the Bahama Breeze Cottage which was incredible.

---

**Best of the Best!** We recently stayed with Casa Grandview in one of the small self-catering apts. I always rent homes or apts for my travel and have seen the range of them. This was the best I've ever rented. Nothing to complain about at all. If you don't want or need full hotel services, then this is the place...We liked it so well we are booking for next year (Feb 2012) now....so we are not left out....Read the descriptions with care (they are right on) and select the best suited to you...Great value, just compare to the local upscale hotels...my associate booked a \$500 per night room and was amazed to compare... They are booking here next year as well, and that says it all.... "

---

**Beautiful Accommodations!** 2/15/11 Key West Cottage - "We were absolutely thrilled to discover Casa Grandview! We needed to get away from the cold and endless feet of snow we have had this winter. Casa Grandview was truly a paradise: relaxing surroundings, beautiful accommodations, friendly hosts, nice beaches and terrific shopping all close by! My husband, children and I had the best vacation ever. We have already started to plan our trip for next year. We highly recommend Casa Grandview!"
