"What Guests Had to Say"

Heaven on Earth! If you are looking for a little slice of Heaven, then look no further! Casa Grandview was above and beyond our expectations! From the moment we arrived we were made to feel right at home. The appointments of the decor were extraordinary! Owners, Kirk and Cheryl Grantham are some of the nicest folks you will ever meet. We could not have asked for more! "

Charming and convenient...loved it! "This place is an amazing gem! It is a group of cottages and apartments turned into charming and unique lodging. There are two small and lovely pools that are in intimate and lovely tropical glades, one with a hot tub. The hosts are charming and hospitable. The location is in a historic district of cottages, and very convenient. Use the bicycles for a pleasant trip over to Palm Beach or just lovely Downtown West Palm. Great place!"

Loved this Place! "A little tropical paradise in a charming historic neighborhood; very convenient to City Place, and the Norton Art Museum. One of the best lodging experiences ever for those who like beautiful, convenient and intimate settings. Many nearby dining, shopping, and entertainment options"
