What Guests Had to Say

"Helped the Stress Go Away Even on Business!" We stayed in the Library Suite which was quaint but beautifully appointed. We toured the pool area at night which is magically lit up. Breakfast was lovingly made and served to us by Cheryl and Kirk. There were so many little touches that made us feel right at home.

Parking was very convenient and the pool and hot tub were a great place to hang out and relax in the late afternoon. Surrounded by palm trees and tucked away in the corner, my husband enjoyed a nap on the cozy hammock. Thank you again to Cheryl and Kirk! We will definitely be back soon!"

"A Superb Alternative to a Hotel or Large Resort!" Especially for those who appreciate privacy and home comforts! The owners have truly thought of everything for a perfect, relaxing stay at Casa Grandview – as well as being tastefully decorated and furnished in keeping with the style and period of the property it also had everything that we comfortable!"
