### What Guests Had to Say

**Awesome Accommodations!** "Above and beyond are the only words that come to mind about this property. We stayed in the Bahama Breeze and my in-laws stayed in the Key West Cottage. Nothing was spared in these beautiful cottages. The beds were so comfortable and the decor was so much more than we ever expected!"

**A Home Away from Home!** "We stayed at Key West for a week with our toddler. It was truly a little hidden paradise! They provided a crib, high chair & pool toys. Everything was top notch- the kitchen in our cottage was very well equipped, plush towels, immaculate, A perfect place to stay if you want the space and the freedom of renting a vacation home with security of having staff on site."
