May be combined with
Sundance South Suite

What Guests Had to Say

A Tropical Hideaway! "Being a hotel snob, I had never stayed in such a unique place before but after seeing the pictures and reading the reviews from previous guests, I was sold! The entire experience was above and beyond my expectations. My girlfriend and I went 50% for business and 50% for fun. What we got was 100% of both. We stayed in the Sundance Spanish Mission Bungalow where no expense was spared in the beautifully appointed rooms. Surrounded by lush tropical greens, we felt enveloped in a tropical hideaway. I would highly recommend the Casa Grandview to anyone looking to get away for a week or month. We are already planning our next trip. Thank you, Cheryl, for an incredible experience!"

One of the Best! "We fell in love with Casa Grandview immediately. The rooms are warm and cozy and impeccably designed. It really feels like home. This slice of heaven is definitely one of a kind!"

Palm Beach Treasure! "When we first thought to stay in Palm Beach, the Breakers came to mind. At the last minute we changed our stay to Casa Grandview. WOW! What a gem. We stayed in the Sundance Mission house, and I must admit, we were amazed! The Hosts, the accommodations, the surprises, all first class! Outstanding dining recommendations! (we loved Paris Bakery, and Rocco Tacos) and hosts who are genuine. This is the real deal!! We WILL be back. Thank you!"
