### What Guests Had to Say

**We Will Be Back!** "Everything was wonderful from the rooms, decor, gardening, etc. and especially the home like hospitality. We have traveled to many destinations and this is by far our favorite. Exceeded our expectations; we will be back."

**"The same attention to detail** and anticipation of guests' wants and needs was apparent throughout our stay. It's obvious that the owners, care a great deal about their property and guests. The property was located in a quiet historic quaint neighborhood - yet convenient to City Center, restaurants, and the Norton Museum. I recommend it highly."

**What a Find!** "A magical hideaway, with beautiful lush landscaping and fabulous design, inside and out! Amazing attention to detail; great location. Cooked a yummy steak dinner on the outside grill, guys took a swim with the lap jetted pool and we all enjoyed a bike ride exploring the wonderful historic neighbor and interesting architecture. Terrific value- will return soon! Thank you, Cheryl & Kirk."
