What Guests Had to Say:

"Best Hotel or Bed & Breakfast I've Stayed In!"

My husband stayed in the Casa Grandview for our anniversary. We stayed in the Tropical Haven Cabana Suite which was unbelievable! Beautiful wood floors, & interior design are amazing, very comfortable sofa, unbelievably comfortable bed & pillows, fully stocked kitchen, a full set of Henkel knives!! Location is awesome, only a few blocks away from CityPlace & Clematis. We went out for dinner, the movies, the beach, & Flagler Museum. It was such a great trip. I would highly recommend!"

What a Find! "Magical Hideaway! Beautiful landscaping & fabulous design, inside & out! Amazing attention to detail! Great location! Cooked a yummy steak dinner on the outside grill, guys took a swim with the lap jetted pool & we all enjoyed a bike ride exploring the wonderful historic neighbor & interesting architecture. Terrific value! Will return soon...!"

"Best Kept Secret!" "Luxurious, tropical haven with upscale furnishings & décor- a city oasis!"
