## **80 Hotels Earn 100% in Annual Housekeeping Review**

HOLLYWOOD, FL. -- Just in time for the busy holiday travel season, Florida Superior Small Lodging Association (SSL - [www.superiorsmalllodging.com/quality.aspx](http://www.superiorsmalllodging.com/quality.aspx)) today announced the winners of the organization's prestigious Donal A. Dermody White Glove Award for housekeeping excellence.

While there are thousands of hotels, motels, B&Bs, travel lodges, inns, beach houses, resorts and other [hospitality](#) destinations across the state, offering 370,000 rooms to Florida's more than 80-million annual visitors, only 80 locations have earned this year's highly coveted White Glove Award.

"The White Glove Award is our organization's highest recognition for housekeeping achievement," said Donna Boucher, SSL's executive director. "Properties must receive a Total Housekeeping Score of 100% in their annual review to receive this award."

"The Donal A. Dermody White Glove Award recognizes hotel owners who have made outstanding contributions to SSL's mission and business objective of benchmarking housekeeping excellence and exceptional service," she added.
