

**PALM BEACH POLICE DEPARTMENT
CODE ENFORCEMENT UNIT**

Beginning Monday, June 13, 2011, the South Florida Water Management District and the City of West Palm Beach Public Utilities Department have imposed new water use restrictions which affect the Town of Palm Beach. Based on those restrictions, the Director of Public Works has issued an emergency order under his authority granted by the Town of Palm Beach Code of Ordinances, Chapter 122, Section 122-53.

Violations of the emergency order will result in the imposition of a fine and/or a hearing before the Code Enforcement Board. The Code Enforcement Board meets the third Thursday of every month, at 2 PM in the Town Council Chambers, on the Second Floor of the Town Hall at 360 South County Road, Palm Beach.

If you receive a Notice of Violation, the Notice will indicate if you have the option of paying a fine or appearing at a hearing, or if there is a mandatory hearing. If the fine is not paid as indicated on the Notice of Violation, the hearing will be held as scheduled whether or not you or a representative are present.

LANDSCAPE IRRIGATION

ALL PROPERTY SIZES

Odd Numbered Addresses

Lawn watering is permitted on
WEDNESDAYS from
4:00 AM to 8:00 AM.

Watering is not allowed any other time.

Even Numbered Addresses

Lawn watering is permitted on
THURSDAYS from
4:00 AM to 8:00 AM.

Watering is not allowed any other time.

Restrictions apply to sources of water for irrigation including wells, canals, ponds and lakes. However, landscape irrigation using reclaimed water is not restricted.

Low-volume systems such as drip, bubble and micro-jet systems that apply water directly to root plant zones may be used any time.

Hand Watering

Hand-watering of stressed plants is permitted for 10 minutes per day using a single hose, with an attached automatic shutoff nozzle or trigger nozzle.

NEWLY PLANTED

LANDSCAPING & SOD

Additional watering days can only be used to benefit new landscaping, and an entire irrigation system zone may only be watered if it contains at least **50% new landscaping**. If less than 50%, use targeted or hand-watering.

Watering should be restricted **only to the new landscaping installed** and within a reasonable time from the date of purchase and verified with a receipt or invoice. You can avoid receiving a Notice of Violation for watering newly planted sod or landscaping by providing documentation of the new planting, including the date of installation, to the Code Enforcement Unit. A copy of the invoice or other documentation may be sent or dropped off at the Police Department at 345 South County Road, Palm Beach, or may be faxed to the Code Enforcement Unit at 561/835-4736. If you have not provided the documentation and receive a Notice of Violation, please call the Code Enforcement Unit at 561/227-7080 for instructions. With proper documentation, the Notice of Violation may be rescinded.

Newly Planted Landscaping & Sod

All Property Sizes:

In place on first day: New landscaping can be watered without regard to restrictions on the first day it is installed.

In place from 2 days to 31 days: Monday, Tuesday, Wednesday, Thursday, Saturday AND/OR Sunday (any days except Friday): 4:00 a.m. to 8:00 a.m.

In place from 31 days to 60 days: Monday, Wednesday, Thursday, AND/OR Saturday: 4:00 a.m. to 8:00 a.m.

POWER OUTAGES

Power outages may effect irrigation timers which do not have a battery backup. If you receive a Notice of Violation for water use, and you believe that the violation occurred due to a power outage, you can request documentation from Florida Power & Light. Call FPL at 561/697-8000, and request the documentation. Then call the Code Enforcement Unit at 561/227-7080 to provide the details. If the violation occurred within 7 days of a documented power outage, the Notice of Violation may be rescinded.

Car, Boat and Other Vehicle Washing

Allowed anytime with an attached adjustable spray or trigger nozzle to the house and over a non-paved, grassy or porous area.

Cleaning, Maintenance or Repair of Irrigation System

Landscape irrigation systems may be operated once a week during restricted days and/or times for cleaning, maintenance and repair if an attendant is on site in the area being tested. Testing should not exceed 10 minutes per zone.

Fertilizer & Pesticide Applications

“Watering in” is allowed only during established watering days and times unless a professional licensed applicator has posted a temporary sign with the date of application and the date(s) of needed “watering in” activity.
