Ronald Romear, M.D. is a managing partner and owner of Infants and Children, P.A. in West Palm Beach and Jupiter, Florida where he is one of eight providers that care for pediatric patients in the area. In 2007 he was nominated for the "Heroes in Medicine Award". He is featured across the country representing the Newborn Channel in several hospitals discussing "Baby Milestones".

Dr. Romear is currently the Medical Foster Care Medical Director of Palm Beach County, is on St. Mary's Governing Board and manages the Special Needs Shelter during hurricanes for Palm Beach County.

He received his undergraduate education at Howard University in Washington, D.C. and his Medical Degree from Wayne State University in Detroit, Michigan. His internship and residency were fulfilled at Interfaith Medical Center in Brooklyn, New York where he served as Chief of Residents in Pediatrics. Dr. Romear is currently on staff at St. Mary's Medical Center and Jupiter Medical Center.

A native of Trinidad, Dr. Romear is the husband of Debra Jones, M.D. and the proud father of three children, Andrew, Sean and Simone.
