

The Kravis Center Needs You for

A Student Volunteer Program at the Kravis Center

ArtsCrew members serve as **student volunteers** for various educational programs at the Kravis Center (from administrative duties to youth mentoring). Members accrue community service hours while gaining valuable insight into the inner-workings of a professional performing arts center. Hours vary and are flexible. Volunteers are a vital part of our non-profit organization. Whether your experience is behind the scenes or on stage there is a place for you. Come be a part of our dynamic crew!

This program is for High School and College Students with an interest in the arts.
