## HALL OF FAME - A HUGE SUCCESS

Respect was the underlying sentiment at the sold out Palm Beach County Sports Hall of Fame Induction Banquet that took place on March 29, 2009, at the Palm Beach County Convention Center. Friends and family gathered to honor the new Hall of Fame inductees and Annual Sports Awards finalists that have all accomplished greatness in their respective sports in Palm Beach County.

The night started off with a special tribute to two long-time local sportscasters who passed away during the year, Jim Gallagher and Buck Kinnard. Gallagher, the former Sports Director at WPEC-12, had served as emcee of the Hall of Fame Banquet since its inception. Buck Kinnard, former Sports Director at WPTV-5, “represented everything great in sportsmanship, everything great in what we expect of our leaders,” said Dr. Edward Eissey, who presented the tribute.

The Palm Beach County Sports Hall of Fame also paid homage to 1991 inductee Derek Harper, whose NBA playing schedule for the Dallas Mavericks prevented his acceptance at the time of his induction. On Sunday night, he was honored along with the Class of 2009.

Harper paid a public tribute to the man who “paved the way for me,” his coach at North Shore High School, Floyd Andrews. Harper choked back tears while speaking, and by the time he had finished and embraced Andrews, he wasn’t the only one dabbing his eyes inside the Palm Beach County Convention Center. “You’ve been a lot more than a coach to me,” Harper told Andrews.

Acknowledging that their lives eventually went in different directions, Harper lamented the times they were apart, but made it clear he never forgot Andrews’ life lessons. “I’m very grateful to you, because you made me the man I am. I feel I am a solid man, a role model, and I give you a lot of credit for that.”

The Sports Hall of Fame proudly welcomed several coaches as new inductees: FAU football coach, Howard Schnellenberger; Jack Rhine, the former Gator’s baseball coach from Riviera Beach High; Jupiter High football coach, Charlie Persson; and C.W. Pell, who helped build the football dynasty at Pahokee High School

# ROLLER HOCKEY NATIONAL CHAMPIONSHIP SELECTS PALM BEACH COUNTY FOR 2009 TOURNAMENT 3,520 PROJECTED ROOM NIGHTS - \$1.6 MILLION ECONOMIC IMPACT

The Tournament of Roller Hockey Series (TORHS) has selected Palm Beach County and the Palm Beach SkateZone as the home of its 2009 national championship.

The June 26 - July 5 event is expected to draw over 220 teams from all over the country and occupy 3,520 hotel room nights during one of the slowest periods of the year. Age groups range from 6 and under to 18 and under plus an adult division and a pro-series. Over a dozen international teams are expected to participate.

Being billed as a "Party on the Beach," this will be the first time the 11-year old event has been held in a warm weather destination. The 2008 event was held in Buffalo, NY, and previous events, dating back to 2003 were held in Detroit, MI.

"We were thinking of the hockey family when choosing this year's National's location. Florida was the place for us this year and having a great facility like the SkateZone made this decision easy for us. We are all looking forward to an amazing 10 days in June and July," said TORHS President Ron Beilsten.

The Palm Beach SkateZone which has 2 ice-rinks and 1 skating

rink, will be converting its ice rinks to roller skating rinks especially for the event. Special flooring to cover the ice is being loaned by the Florida Panthers, and the Palm Beach SkateZone will be providing the other.

"We are very excited to be this year's host for the TORHS Nationals," Mike Bunting of the Palm Beach SkateZone said. "This was a perfect match for us."

Partnering with the Palm Beach County Sports Commission, TORHS's selection of Palm Beach County was solidified in a matter of weeks.

PBCSC Executive Director Gerry Baron is very excited to bring this new event to Palm Beach County. "The opportunity came to us with a very tight window and we needed to react quickly. A great opportunity exists to bring this event back in 2011, and then on a rotating basis thereafter. It's a great national event, and is an especially important event during our off season." Baron said.

## THE FLORIDA OPEN INTERNATIONAL WHEELCHAIR TENNIS CHAMPIONSHIP OPENS APRIL 8 AT PATCH REEF PARK

Calling Palm Beach County home for the past 18 years, the International Tennis Federation (ITF) and the United States Tennis Association (USTA) sanctioned Florida Open International Wheelchair Tennis Championship will be played April 8 - 12, at Patch Reef Park in Boca Raton.

The event will attract nearly 200 participants from across the United States and 25 different countries.

Founded in 1976, wheelchair tennis is the fastest-growing wheelchair sport in the world. It integrates very easily with the able-bodied game since it can be played on any regular tennis court, with no modifications to rackets and balls. Wheelchair tennis, as endorsed by the ITF, follows the same rules as able-bodied tennis, with the only exception being that the wheelchair tennis player is allowed two bounces of the ball.

## CONTINUED SUPPORT FROM THE FLORIDA MARLINS COMMUNITY FOUNDATION

The Florida Marlins' Community Foundation has again, this year, shown their support of the activities of the Palm Beach County Sports Commission.
